

Panel 1 – Wide Establishing Shot

Description: Deserted battleground at dusk; ash gusts swirl across a scorched crater.
Composition: Hero silhouette on left third; negative space to right for looming threat.
Camera: Pan L - R over 2s, slight tilt downward toward hero.
Character Path: Hero static near crater rim.
Lighting: Warm dusk rim glow.

Panel 2 – Medium Shot

Description: Hero steps forward as fingers begin glowing with fire.
Composition: Hero center-left with open space right for reveal.
Camera: Subtle push-in with slight perspective shift.
Character Path: Small forward step.
Lighting: Side key with rim on cheek.

Panel 3 – Close-Up (Hands / Fire)

Description: Flames lick the hero's fingers while ash particles glow near knuckles.
Composition: Tight crop on hands; flame apex near center.
Camera: Tilt upward following flame lift.
Character Path: Static hands.
Lighting: Shallow depth-of-field with fingertip glow.

Panel 4 – Over-the-Shoulder (Hero POV)

Description: From behind hero, heat shimmer forms a towering silhouette emerging from ash.
Composition: Hero shoulder foreground left; silhouette mid-ground.
Camera: Dolly backward revealing scale; slight pan to center silhouette.
Character Path: Enemy emerges from left into center.
Lighting: Silhouette glow through heat haze.

Panel 5 – Wide Reveal

Description: Adversary fully visible as ash storm glows around them.
Composition: Adversary centered with ring of embers.
Camera: Crane up or track sideways to reveal ember circle.
Character Path: Adversary steps forward into frame center.
Lighting: High-contrast backlight and ember glow.

Panel 6 – Medium Close-Up (Adversary)

Description: Adversary's face emerges through ash glow; eyes burn with fire.
Composition: Tight framing on eyes and mouth.
Camera: Subtle push-in toward eyes.
Character Path: None.
Lighting: Dramatic chiaroscuro with ash particles in foreground.

Panel 7 – Over-the-Shoulder (Hero Reaction)

Description: Hero turns toward adversary while fire glows at frame edge.
Composition: Hero left third; adversary silhouettes right background.
Camera: Dolly inward toward hero.
Character Path: Hero pivots to face enemy.
Lighting: Warm fire glow with subtle flare.

Panel 8 – Wide Final Clash

Description: Firestorm erupts as hero and adversary converge toward center.
Composition: Leading lines direct attention to central clash.
Camera: Push-in toward center with optional crane upward.
Character Path: Both characters move toward climactic point.
Lighting: Extreme warmth with strong backlit silhouettes.
